"...it plays like a JRPG." - Game Informer "...to be quite frank, this is the best game of the year." - GoGamer
"...has the potential to be the biggest game of the year" - AP|Gamer "...this game makes me so happy." - IGN
"...the creators had created a fantasy RPG that is both compelling and fun" - Gamespot "...a lovely little
alternative to the larger Western RPGs." - Pocketgamer "...less the holy grail of fantasy RPG's that I was hoping
for, than it is a damn fine RPG on its own merits." - RPGfan "...one of the best fantasy RPGs so far." -
videogaming247 "...The new fantasy RPG is a charming bit of game design." - Game Revolution "...a very
promising first part of the campaign..." - GameFront "...the beginning of this game is amazing..." - Rock, Paper,
Shotgun "...In a nutshell, if you're a JRPG fan, then this is your game of the year." - IGN Spain The Lands
Between... More than 80 years have passed since the fight between the Elven and Dwarven clans of Ardnorri
and Iorith. Lord Valeniel, Prince of the Elves, has since ascended to the throne of Ardnorri. But the Elven
Kingdom is no longer what it once was and its once mighty armies are now just another of its kingdoms' many
rival nations. Fortunately, in the Lands Between, forgotten ruins remain of a once great nation. Here, the Elves
and Dwarves once communicated with each other peacefully for many years. But during an avalanche, King
Zolan, lord of the Dwarves, was trapped in the ruins. The power of his lost knowledge of magic will forever haunt
the lands. In order to prevent the spreading of such unfathomable powers, great walls were erected that divided
the Lands Between into five zones - namely the Elfland, the Dwarvland, the Woodland, the Vale of the Elves, and
the Shattered Continent. Other nations - among them the Elves, Dwarves, and the Dragon People - put up their
own fortifications and kept watch over the borderlands. For generations, this quiet and peaceful coexistence
between Elves, Dwarves, and the Dragon People has been the only order in the Lands Between. But in the

The Biggest Loser (season 13) The thirteenth season of The Biggest Loser, an American reality television series, premiered on September 18, 2013 on NBC. The season was originally scheduled to last for ten weeks, but at the beginning of the season, host and trainer Bob Harper revealed that the season finale would be the first elimination in the history of the show and that the winner would get their weight loss paid for by a professional athletic team, with both contestants going back to the Biggest Loser ranch after the finale. Season finale aired on December 16, 2013 with Kelly Watts being the winner of the \$250,000 prize and returning to the ranch with her daughters and fiancé. In December 2013, NBC announced that The Biggest Loser had been renewed for an eleventh season, which aired in summer 2014. Contestants The season started with 16 contestants, and 8 were chosen in the first two episodes, with the remaining 8 new contestants arriving in week 6. The contestant won the competition The contestant was the runner-up The contestant was the losing contestant The contestant went on a weight-loss programme for 60 days The contestant was at their pre-Biggest Loser weight The contestant was eliminated The contestant returned to the competition The contestant quit the competition Call-out order The contestant lost the Power of Rope Challenge and was immediately eliminated. The contestant was eliminated after the weigh-in. The contestant returned after successfully losing the weight they needed to qualify. The contestant won the challenge and was immune from elimination. The contestant won the competition and returned to the ranch. Weigh-ins Due to scheduling issues, two weigh-ins aired within a week. The contestants are weighed in at the start of the season before the season begins and at the end of the season
