### **Features Key:**

Play as an Elden Lord To defeat the darkness by yourself, you will be required to ally yourself with the Elden. The role that you will be introduced is the Lord. In combat, you will attack simultaneously with multiple allies using the Elden Ring shields. Also, with dangerous moves, you can slash your arm to unleash the fury of their god.

### **Review on the game launched in October 10, 2015:**

- 
- Hab Game: Anime Game for the Internet of Things
  - Summary: "The Megane I.P.S uses your smartphone like a shield and builds a virtual wall around it like a shield. It is an excellent ergonomic wearable suit that protects your smartphone as you walk around."

### **What is Kickstarter?**

- Kickstarter is a new way to fund your dream. Whether it's a film, a game, or a book, crowdfunding allows you to fund your project and create something unique together with your dream audience.

### **What do you get if you donate money to the project?**

- A postcard or greeting card will be sent to you if you donate at least \$2.50. Your email will be added to a mailing list for future You can also discuss the development with the creator through messaging when you donate more than \$7. If you donate at least \$50 (AU \$54), you can be an official Patron of the project. You will be the first to receive rewards that will come after a certain period of time, such as your name in the credits and in the game, downloadable content, a couple of artworks, and more! And thanks to the backers of previous campaigns, We have donated campaigns up to \$2,389,739 so far. We are thankful to all our backers, most of all our fans and our readers and supporters.
