Rise from the Dark Stonewhore Sunlight pierces the darkness of the forest as you start your adventure with the world of Elden. In a dangerous world where the past and future seem to grow distant, the only certainty is survival. You are forsaken, Tarnished. Shrouded in obscurity, you were denied the grace to become an Elden lord. A man only known for his service for the great and powerful Decade, you are, after such a failed test, bereft of all hope. 2. Introducing your Hero Your hero name will start with the letter assigned to you at creation. From there on, you can change up to seven individual elements: Personality: The core of your hero. Strength:Strength is a common character trait for a hero, whose characteristics include muscle strength, intelligence, and physical appearance. Defense:Defense characters generally possess high-end physical defenses, such as armor or powerful weapons and shields. Magic: Magic is a hero's ability to use spells and magic. Spells are carried out by primarily using either magic or physical attacks and are often used to deal damage to your opponent. Dexterity:Dexterity refers to a person's ability to manipulate or perform movements with skill, such as dashing, rolling, climbing, swinging,

or swinging a heavy weapon. Fatigue:Fatigue is a hero's ability to maintain concentration and stamina as a hero battles. It can be used to increase attack, defense, movement, or magic power.
