DEVELOPED BY GAMESTOP.Discovery and structural characterization of three novel antimicrobial peptides from the novel genus Microcoleus, Microcoleus astroideus, Microcoleus vorax, and Microcoleus aerophilus. We report the discovery of three novel peptides, moco (AIB1), noco (AAI1), and nocas (AII3) with antibacterial and antifungal activity from the novel genus Microcoleus. Three novel peptides, moco (AIB1), noco (AAI1), and nocas (AII3), with antibacterial and antifungal activity, were isolated from a novel strain of the genus Microcoleus from the Oregon coast and characterized. AIM1 and AII3 were identical to cecropins A and D, respectively. AIB1 was chemically synthesized. AIB1 exhibited greater potency against Staphylococcus aureus and Candida albicans than cecropin A. AIM1 and AII3 were potent against Gram-negative bacteria. In addition, we found that AIM1 and AII3 were antimicrobial against vancomycin-resistant enterococci. Sacking CIO – how can we eradicate this approach? – danwills The recent revelations that Eric Schmidt's infamous memos which called for a massive overhaul of Google were dictated by just 5 people (see: really got me thinking, "Does every company still value a CIO as an internal technological visionary?"Some things to consider: - We all know that the CIO is the person in charge of technology for a company. But does that mean that every company needs a CIO or a general IT person?- Does the CIO need to be an internal senior decision maker? Should CIOs have a position just

The play opens on Wednesday, April 23 at the Garrick Theatre. London's Garrick Theatre will experience a bit of history when it opens the 2014-15 West End season in the the critically acclaimed drama A Doll's House. The play, which is set in the 1870s, will play for a season that ends this spring. Written by Henrik Ibsen, A Doll's House is a drama revolving around the mental, physical and emotional upheavals experienced by a married couple as their marriage is torn apart by the husband's affair with his best friend's wife. Couchville Delmado Films is releasing the original UK theatre cast recording of the play, with an orchestral score, and narrator and voice artist Julian Ovenden, in a performance that has been described by the director as a "remembrance of a seminal piece of drama." The recorded cast also features celebrated veteran actor and narrator Melvyn Hayes as Krogstad, Martin Jarvis as Torvald, Clive Rowe as Torvald's Friend, David Haig as Dr. Rank, David Calder as Knutty and Jane Lapotaire as Nora. Julian Ovenden's narration is taken directly from Ibsen's play, enhancing the drama of A Doll's House. The recording includes an original ballet, choreographed by Russell Lester - his first project with a musical score - with music by original West End composer Will Cope, based on Ibsen's script. The London production has been running successfully in the West End since opening on December 7, 2014. The production is directed by John Tiffany, who set up his own production company, Attraction, in 2008. In 2010, Attraction became one of three companies under the umbrella of the ENO, which Tiffany then became Artistic Director of. A Doll's House will be the sixth production of the West End season for Attraction, with four of Tiffany's productions**
