News Malcolm Turnbull is fighting to get the tax cuts passed Malcolm Turnbull says the Opposition's plan to repeal the mining tax does not mean a bigger budget blowout. The Prime Minister and his colleagues are in damage control after the Opposition Leader performed a U-turn on Labor's no-tax-hike promise, ordering a crack at the economy. And the Prime Minister is caught up in it. Both opposition and government MPs have been ordered to explain themselves on their first day back in Canberra following the election rout. The double dissolution election means that one bill doesn't need crossbench support to pass and the House returns to its business on July 1. Mr Turnbull has signalled he wants the latest stalled citizenship bill to be the first order of business after that date, but when he was asked in Question Time if he was prepared to make the case for a budget surplus, he said: "Of course not". "The Opposition claims to support lower taxes," he said. "But their full-scale attack on the mining tax that Tony Abbott had agreed to is a tax on every family in Australia. "The 9.5 per cent cut to the

09. 02. 2017 Phantasy Star Online 2: Catalog of PSO2

Unveiling the latest information on PSO2's catalog.

It is the time to reveal the latest information on the catalog of PSO2, and we are delighted to announce the following!

PSO2 Catalog Update

First of all, we are happy to announce the contents included in the catalog.

First of all, the new contents of the items included in our previous catalog, such as "CONSLIQUER" and "WOODWORKING SHACK", and also products newly announced will be added!

Also, for the first time in PSO2 history, we are planning to hold a content share event, "Share the Power Between the Players", on the 25th February, 3 PM GMT.

Photo of the PlayStation 4 Version

We would like to take this opportunity to introduce a new image of the PlayStation 4 version of PSO2. We considered various potential visuals, but we kept the familiar illustration style in mind, and thus appointed a familiar character from the original PSO.

We appreciate your support so much. We hope you will look forward to the catalog update, as well as the event to be held on the next day.

1: Rise Your quest begins. The destination and the way toward that destination await you. You search for the power of the Elden Ring. 2: Tarnished The treasures you encounter during your journey are more valuable than you anticipated. Be careful, they might reveal a sinister side... 3: Attune your character Take care of the items you find. Prepare to encounter the challenging bosses awaiting you. *With the new game mode, you can now fight as a rogue, ranger, gnome, wizard, or blacksmith. WEAPONS: 1: Dagger (melee) A simple, small, yet powerful weapon, perfect for close-in attack. These daggers are the most effective in close combat. 1: Shortsword (melee) Wield a short sword when you're in need of speed and don't feel like using a Dagger. These can be more easily used to recover after engaging in a melee. 1: Bow A ranged weapon that allows you to harass enemies from a distance. Bolts can be used to attack multiple enemies, and can also be used to deal damage to the environment. 1: Throw Stone Throw a stone to knock an enemy out of the way when you're running out of arrows. 1: Sun Stone Fire a Sun Stone to deal damage to a selected enemy or at a selected point, or to prevent a target from casting a spell. 1: Phoenix Stone Deal damage to a selected enemy. 1: Firing Rock Deal damage to a selected enemy. 1: Fire Rain Deal damage to the enemy in front of you, then once you hit their back, deal damage to them. If you hit with an attack while the Fire Rain is activated, it will cause an even bigger Fire Rain. 1: Poison Rain Deal damage to a select enemy and then to their allies in a radius of 3. If the poison damage is major, it will deal damage to them in turns. 1: Cloud Club You can manipulate the movements of your enemies. If a group of enemies is lined up, use this to attack them all at once. 1: Spell/Magic Use magic or perform a skill to perform an effect. 1: Bounce Use a Jump skill to bounce once when you fall. 1: Whirlwind Use a

The OMNI2 framework predicts strong longitudinal structure in solar wind interplanetary turbulence driven by outgoing Alfvén waves that have low magnetic field strengths. Interactions between Alfvén waves in the poloidal plane and the in-plane magnetosonic mode in the fast magnetosonic mode can act to generate current structures in the poloidal plane, which has been observed in slow solar wind observations. This suggests that the wave-current interactions are an important component of 3D solar wind turbulence. We would like to thank the IPS and EPS teams for their help and support for this work.
