Download

V-STACK is the next step in the ever-expanding world of Steinberg VST technology. The latest addition to the Steinberg family of Windows VST products is ... V-STACK. It is a 64-bit VST platformer that supports all existing Steinberg VST tools. V-STACK will be available this fall. It is a continuation of VST3, VST2 and VST as well as the previous "V-STACK" and "V-STACK Plus" updates. V-STACK adds support for a new high-performance 64-bit engine to provide even more options for playing, recording and mixing in a wide variety of audio formats.
